## A MESSAGE FROM WENDY

Inā kei to mahio koe ko wai koe,  
I anga mai koe i hea, kei te mahio koe.  
Kei te anga atu ki hea

If you know who you are and where you are from, then you will know where you are going

It's been a hard couple of weeks to be a New Zealander with the attack on our Muslim New Zealanders as they worshipped in Mosques where they should have been safe. It has become so important that we all spend time getting to know our neighbours and build friendships, chat over the fence, play non-stop cricket and share a meal or plan a street party. It is time to be kind to each other; appreciate that people have different ideas and beliefs but we are all New Zealanders and that intolerance is not ok in our community.

Talk to your children about other people, their differences and similarities. encourage them to ask questions, make connections, smile and say hello to them. Make sure you have time as a family to talk about the news of the day; other peoples' ideas - and their right to have them.

Go to different festivals, experience different music and food - celebrate difference and join in the fun! Keep your family safe make sure hugs are part of your day; hugs tell children that you love them, it reinforces your words. Have wonderful adventures - take sandwiches and go for a drive; where will you end up? Catch a bus to another town and go exploring, go and do something you've always wanted to do; do it with your kids. Make memories, take time to just be - lie on the ground and watch clouds, play Pooh Sticks.

The Future Just got Here!

As teachers, as boards and as leaders we are constantly looking at ways to improve our schools. When a new principal arrives it is always a good time to undertake a school review of everything and to look at new ideas, current "best practice" and at schools who have moved into or created new Learning Pathways for students. I was always clear with the Board and the staff that this would be happening. As you know a few weeks ago we took a trip to Auckland to visit Manurewa Intermediate; a school that won the Prime Minister's Award for Excellence and Innovation in Education last year. This is a very prestigious award and one richly deserved.

Iain and his team work hard everyday to be the very best they can be for their students and it works. Their achievement has gone through the roof; the students self manage (and we're talking about Decile 1a in South Auckland) and the place has some of the nicest outdoor environments that we've ever seen.

The teachers and I have talked and talked about what we want for our school and our students; we want to be better than we are now, have better behaviour than we have now (yes, we're still struggling with some students who think they can do and say whatever they like), we want excitement about learning, we want partnership and learning agency.

We have some ideas, we're excited and we want to share with you. Details on the next page...
