Term 4 ends

Term Four already! It is great to have our students back in school refreshed after the break. We have had a very settled start to the term. Our Inquiry, developed by the Student Volunteer Army, will offer a great opportunity for our students to give back to our local community in some way, which was a whole lot of fun last year. The whanau/teacher touching base afternoon has been cancelled, however if you have any 'wonderings' please contact your child's teacher either directly or via the office and arrange to meet with them.

There seems to be a lot happening in school this term. We will do our best to ensure you are aware, via the newsletter, Facebook page, Skool loop and the Website. If you would like the newsletter emailed please contact the office. Maths cross grouping continues this term, as we saw some very pleasing progress made in Term Three, although some students may have different teachers due to regrouping.

It is also the time of the year for transitions, when our Year Eight students are thinking about the next exciting adventure in their education and Year 7 students are starting to think about the many opportunities available to them next year. Information about leadership roles will be out soon, students need to listen to the daily notices. We also begin the process of enrolling our new 2020 students, visiting local primary schools next week.

We are looking forward to a great term, and hoping for lots of sunshine for our Athletics practices! Have a great week!

UPDATE From the Limited Statutory Manager

Kevin Palmer - Limited Statutory Manager would like to inform the Community that Wendy Sheridan-Smith has, for personal reasons, decided to resign her position as Principal at Hawera Intermediate. The Board thanks Wendy for her service and contribution and we wish her well in her future endeavours. He will keep us all updated when he has more information.

Summer Uniform

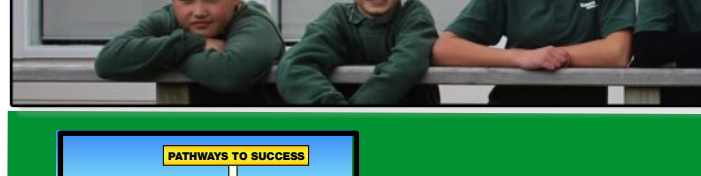

This term we have returned to our summer uniform. This is shorts for boys and culottes for girls and either shoes and socks or sandals. If your child wears sandals they will need to bring their winter shoes for Tech days. Havanas are suitable for school as long as they have back-straps or any plain black sandals. Sandals that go up the ankle are not suitable.

The Life Education truck will be visiting our school between 24 October and 7 November. Students will experience two X 50 minute lessons in the truck with the educator and their class, learning about self regulation, friendship, bullying and cyber safety, to name just a few topics that will be covered. Parents are welcome to visit this truck before school on Tuesday October 29.

TRANSITIONS

Next week we begin the exciting process of transition where we develop connections with 2020 Year 7 students. This is the process for Year 6 students coming into Year 7.

Enrolment for 2020 students

Enrolment Sessions will be held on
Tuesday 22 October and Thursday 24 October
11 am - 6 pm for 2020 Year Seven students.

A further session will be held on
Tuesday 5th November 3pm - 6pm

You are welcome to book an appointment time (it takes 15 minutes) by contacting the office, or just call in as all school leaders will be available.

Students at contributing schools (local primary schools) will be given information about enrolment and visiting dates.

Other dates and times can be booked through the office if these dates do not suit. We look forward to learning about our new students.

Year Eight students will visit Hawera High to experience a 'Day in the life of a Year Nine' later in Term 4, which will be an exciting adventure for them.

STUDENT VOLUNTEER ARMY

Our school is once again undertaking an inquiry developed by the Student Volunteer Army or SVA. Established after the Christchurch earthquakes, the SVA has built a reputation around helping and supporting the community. As part of this process the students will be analysing community needs and designing a project to help address this. It will be student designed and created with staff working alongside them to help make it happen. There might be instances where whanau are asked to help and if you can it would be greatly appreciated. Students last year had a lot of fun and gained an appreciation for the community.

SPORT UNIFORM AMNESTY

Do you still have a school sport uniform that you've been meaning to return since the end of the season? We are currently running an amnesty for all uniforms. If you have any please return to the office, no questions asked and receive a free Cookie Time Cookie.

SPEECHES

This week we are having our class speeches. The students have been writing and preparing their speech for the school. Students have been able to choose their own topic with the purpose to entertain, persuade or inform their audience for a total of 3 minutes. Classes have been covering the structure of preparing a speech and how to present it in front of an audience.

The timetable will be as follows:

Week 1: Class Speeches - 2 per class selected.

Week 2: Monday/Tuesday:

Whanau Speeches (2 from each class to speak in front of half their due to each now being 6 classes). 3 finalists will be picked from each whanau.

Friday: School Finals. The finalists from the two whanau will speak in front of a small audience at 1:30pm in the library.

KAPA HAKA

Matua Russell Hockley, with the assistance of Mrs Crawford have been working hard getting our students ready for Puanga Festival held in Waitara **1st November** at the Hub. The group is scheduled to perform at 11.30am.
